

PROJECT INTIALIZATION DOCUMENT

1. DETAILS

Team Details: Nidhi Rana (@gmail.com).

Project Name: Personal portfolio website

2. DEFINING PROJECT AND ITS SCOPE

Understanding of the project: A personal portfolio website is a **unique way to showcase your work** and let others know about yourself. It's like an evergreen platform for your projects, case studies, and information about you. In addition, it's one of the best ways to express your personality, experience, and capabilities.

Reason for choosing this project: chose this problem for the reason of interest.

Most challenging aspect of the project statement: the most challenging is responsive web pages design.

3. APPROACH OF PROBLEM CHOSEN

Approach: Below is the approach that we are going to follow.

- Step 1 - Create a GitHub repository for your website
- Step 2 - Download a free template
- Step 3 - Modify the template according to requirement.
- Step 4 - Make the contact form work using Form spree.
- Step 5 - Publish the code to your GitHub Page repository.
- Step 6 — Create a domain in your name.
- Step 7 — That's it, your website is ready!
- Step 8- If any error is produced, then I'll remove the error so that the model can produce a more accurate result.

Platform/Coding Language/Frameworks: HTML, CSS, Visual studio code.

4. TEAMS ABILITY TO IMPLEMENT WINNING SOLUTION

Background of team members: I am currently a final year student pursuing B.Tech(CSE) from Hemvati Nandan Bahuguna Garhwal University Srinagar Uttarakhand.

Major Expertise of team members: I have knowledge of a Front end development and I also have an interest in python.

Roles and responsibilities of team members: Nidhi Rana is building the frontend.

Previous projects undertaken: I have done a various projects individually as our minor project on front end website named NK's blog and also i have created a website on PG life using html, css, bootstrap, php and JavaScript.

Strengths: I believe my strongest trait is my attention to details. This trait has helped me tremendously in thus field of work. I'm an adaptable person. I'm able to adjust my approach to meet each other's need. I am an honest; self motivated and hardworking girl with positive attitude towards my carrier and my life.

Personal motivation: my approach and believe in my skill.
